

Feature Description Document

Understanding IXM Health Licensing

Purpose

This document outlines the process of configuring IXM Health.

Applies to

TITAN	TFACE
All Devices	All Devices

Description

IXM Health is a licensed IXM WEB feature that monitors and records elevated body temperature (EBT) events through dashboards and reports them. IXM Health also includes support for Attestation Questions.

Users will need to activate IXM Health to use its features through IXM WEB.

Activating Your IXM Health License

1. IXM Health comes with two license types:
 - a. **Trial:** 1 Month.
 - b. **Combination of Volume and Duration of One year:** 1 year, based on the number of employees.

NOTE: A trial license key will be provided only once per system by the Invixium Technical Services team and will be valid for 1 month.

1. From **Home** >> Expand the **Left Navigation Panel** >> Select the **License** tab >> Click on **IXM Health**.

The screenshot shows a web interface for activating an IXM Health license. At the top, there is a header with a document icon, the text "IXM Health", and a close button (X). Below the header, the form is divided into two main sections: "VOLUME" and "DURATION".

VOLUME: This section contains a label "Number Of Employees" followed by a numeric input field with a small up/down arrow on the right side.

DURATION: This section contains two radio button options: "Annual" (which is selected) and "One Month Trial".

Below these sections is a "Request" button with a checkmark icon.

At the bottom of the form, there is a label "Activation Key" followed by a long, empty text input field. To the right of this field is a blue "Activate" button with a checkmark icon. Below the input field and buttons is a "Cancel" button with an X icon.

2. Input the number of employees and select your desired duration. Click **Request** to see the details to be sent to the Invixium Support team and request a license.

A screenshot of a software dialog box titled "IXM Health". The dialog is divided into two main sections: "VOLUME" and "DURATION". Under "VOLUME", there is a label "Number Of Employees" followed by a spinner box containing the number "100". Under "DURATION", there are two radio button options: "Annual" (which is selected) and "One Month Trial". A blue button with a checkmark and the text "Request" is highlighted with a red rectangular border. Below these sections is an "Activation Key" label followed by an empty text input field. To the right of the input field is a blue button with a checkmark and the text "Activate". At the bottom center of the dialog is a button with an 'x' icon and the text "Cancel".

3. The details screen will vary based on whether the [SMTP settings are configured](#) in IXM WEB:

a. If SMTP settings are not configured, a “Copy to Clipboard” icon will appear.

Click to copy and paste the details in an email to support@invixium.com to start the licensing process.

The screenshot shows a window titled "IXM Health" with a close button in the top right corner. The main content is a table with the following data:

Date Requested	10/06/2020
Time	11:22 AM
License Request	100 Employees for 1 Year
Machine Key	
Module	IXMHealth
Version	2.2.37.0

Below the table, there is a text prompt: "Send above details to support@invixium.com". At the bottom of the window, there are two buttons: a blue button with a copy icon and a white button labeled "Cancel".

- b. If SMTP settings are configured, a “Send” button and a “Copy to Clipboard” button will appear.
Click **Send** to directly email the details displayed to Invixium support to start the licensing process.

Module	IXMHealth
Version	2.2.37.0

Send above details to support@invixium.com

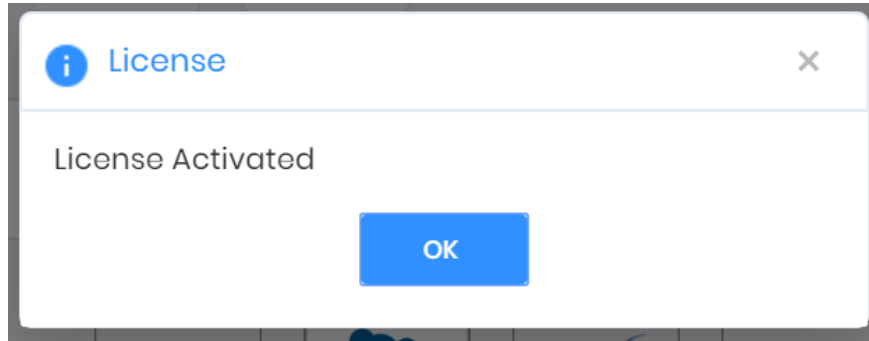

- Once you receive the license key from Invixium, go back to the same page where you requested the license and input the license key in the Activation Key field as shown below.

A screenshot of a web application window titled "IXM Health". The window contains two main sections. The top section is for requesting a license, with a "VOLUME" section containing a "Number Of Employees" dropdown menu and a "DURATION" section with radio buttons for "Annual" (selected) and "One Month Trial". A "Request" button is located below these options. The bottom section is for activation, featuring an "Activation Key" label above a blacked-out input field, an "Activate" button, and a "Cancel" button at the bottom center.

5. Click **Activate**.

6. You can also verify the activation details on the same page from the Activation History section.

ACTIVATION HISTORY

Date	Module	Description	Type	Created By	License Type	Remaining	Status
10/06/2020 11:42:49 AM	IXM Health	License Activated	Volume With Term	admin	100 Employees for 364 Days	100 Employees, 364 Day(s)	Activated
